\*The last match of the season will be a 18 hole match with a shotgun start at 9am. If you so choose, you can schedule a practice round for 10/24 any time after 12pm. The green fee and range cost for this event is \$25 per player. Spectator carts will be \$30 (each coach should receive one free cart).

Most courses will have carts available for spectators, however not all will. Those that do will most likely charge \$20-30 per person. This is helpful information for parents/spectators to have prior to attending a golf match. Of course, a cart is not required for spectators.

PLEASE CHECK WITH COURSE BEFORE BRINGING PERSONAL GOLF CART.
