

WHO WE ARE

Our vision is that every child has access to a quality education. ACE Scholarships was founded in 2000 to provide children from low-income families with equal access to quality schools. Launched in 2018, ACE Arkansas has provided close to 1,700 scholarships to children from low-income families and established partnerships with 39 private schools in Arkansas.

WHAT WE DO

ACE offers partial tuition scholarships to students from low-income families so they may attend the private school of their choice. The ACE scholarship follows the child throughout their K-12 education.

Does my child qualify for a scholarship?

ACE scholarships are based solely on family income. See the chart for ACE Scholarship financial eligibility.

Who pays what?

An ACE Scholarship will pay up to 50% of private school tuition, or a maximum of \$3,000 per year for grades K-8 and \$4,000 per year for high school. The families are responsible for working out a payment plan with the school for the remainder of the tuition.

What schools participate?

A wide variety of private schools participate in the ACE Scholarship program. It is up to the families of potential scholarship recipients to select the best school for their child. ACE Scholarships provide financial support for the student but does not own or operate any of the schools. To see a complete list of schools in Arkansas scroll down. Don't see your private school choice on our list? Tell the school administration to contact us about partnering with ACE.

The ACE Scholarship can follow your child.

If your child is awarded a scholarship, those funds are portable during the school year and may be used at any partner private school. So if the private school you select ends up not being the right fit, you can transfer your child to another partner private school, and the scholarship goes with them.

How do I apply?

Applying for an ACE Scholarship is done directly through the individual private school you're considering. Please contact the school directly for an application. The following list details the typical application process.
